BILL MARTIN Abraham June 11, 2017

If you want something better in life it's going to require you to:

1. Leave "home."
   - Don't settle for beef flavored Ramen noodles when God's got a Filet Mignon ready for you!

2. Live like a foreigner.
   - Following Christ is a journey, not an experience.

3. Look forward.
   - If you learn to look at heaven you'll live better on earth.

Faith is a journey, not an experience.

Scriptures: Hebrews 11:8-10; Genesis 12:1-3; 1 Peter 2:11; Philippians 3:20
