If you're a slave:

Remember: God never intended for His people to be a permanent slave to anything.

- Change your thinking.
- Change what's coming out of your mouth.
- Start releasing your faith and experiencing your 7th year of release and freedom.
- Start announcing it.
- Start declaring it.
- Start praising God for it (even if you're not seeing it yet).

I am free -
because Jesus set me free.
